

## **Patricia Mae Williams**

December 8, 1947 – January 13, 2021

Pat Williams was a beloved member for many years and served as the Vice-Moderator of the Board of Directors for 6 years. She was a champion for Civil Rights (an original “Freedom Rider” in the 1960’s) and remained a social justice activist throughout her life and church life. Pat was a pillar in the church, a spiritual leader, and a warm and welcoming presence everywhere she went. We will miss Pat’s wisdom, spirited debates, revelation in Bible Study, and the joy she shared in so many ways; often with singing and dancing. Rest in peace, good and faithful servant. Your life was a gift to your family, this church, the City of Hartford, and...to us all.
